

**PLYMOUTH AMATEUR ROWING CLUB**  
ESTABLISHED 1949

Plymouth Amateur Rowing Club  
Arnolds Point, Embankment Rd  
Plymouth, PL4 9JW

The West of England Amateur Rowing Association welcomes you to the 2025 South Coast Rowing Championships to be held at Plymouth:

Junior Championship on FRI 5<sup>th</sup> Sept 2025.  
Senior Championship on SAT 6<sup>th</sup> Sept 2025.

We have previously held the Junior Championships on the Friday and are hoping to emulate the same levels of support for this event with affiliated clubs. Unfortunately tide and light issues require us to run this event separately from the Championships however this also creates the opportunity for extra open events to make up a great couple of days racing for all!

FRI 5<sup>th</sup> September - Junior Championship & Open 1x, 2-, Mixed 4+ Events

Junior Championship 1000m

W J14 4x+  
M J14 4x+  
W J16 4x+

W SENIOR 4+

M SENIORS 4+

M MASTERS 40+

W MASTERS 40+

High Tide: 17:50    5.36m            Sunset 19.50Hrs

Provisional start time 15:10 – Anticipated finish time based on entries 19.50

Men's Senior Championship @ High Tide 17.50

Prizegiving TBD – 30 Min after last race

Because of tide, light and race distance issues the following have been agreed with the South Coast Championship Committee:

1. **All Championship events to be held over a 1500m course.**

Reason – Maximum length of a straight course with a reasonable accessible finish line for umpires.

2. **All Open events to be held over a 1000m course.**

Reason – Tidal and light issues on Sat 6<sup>th</sup> Sept 2025 require the event to be condensed into 5hr max window.

3. **No alternative championship courses.**

A check of the weather forecast on Mon 1<sup>st</sup> Sept 2025 12.00 will be made. Based on this forecast a decision to keep with fine boats or switch to coastal boats shall be taken.

This shall be immediately relayed to all captains/entry secretaries via the WhatsApp channel setup from previous SCC.

(Reason – In the event of rough water due to strong winds the Regatta can still proceed if coastal boats are used. All clubs will need to be prepared for this possibility and communication between all affiliations will have to be paramount.)

This could lead to many single and pair events on Friday being cancelled.

4. **All race crews are subject to a Regatta Official Start Warning**

(Reason – We only have a narrow tidal window and any delays resulting from continued false starts will result in races towards the end of the regatta potentially not going ahead.)

Unfortunately stake boats will not be available for this event as in previous years.

Video on the start line will potentially be used to backup umpire's decisions for disqualification for deliberate and intentional distance advantage by rowing past the official start.

All Clubs to be fully briefed on start procedure at morning Captains' meeting to pass on to ALL COMPETITORS

## 2025 SCC REGATTA COURSE

We look forward to seeing you at the Championships.  
Information on entries for junior and open races will be sent closer to the event.
